Why should I promote TOB in our parish?

"There are many things that compete for the attention of your parishioners, from A to Z. So, maybe you've asked yourself, "why bother promoting John Paul II's 'Theology of the Body' (TOB), when there are so many other things to be concerned with these days?" There are *many* reasons to integrate the Theology of the Body into your parish. [Here are four worth considering ...](#)"

What is Marriage?

"Marriage is a natural and pre-political institution... We cannot define and redefine marriage to suit our personal tastes or goals. We cannot make forms of relationships or types of conduct marital simply by attaching to them the word 'marriage.' The defining features and structuring norms of marriage are written in the design of creation and revealed to us by a loving God who

When Two Become One: A Pastoral Teaching on the Definition, Purpose and Sanctity of Marriage

by [Archbishop John Joseph Myers](#)

Marriage is as old as humankind. From the beginning, God created the human race in his own image and likeness; male and female he created them (cf. Gen 1:27). Sexual difference and complementarity have been present from the beginning as part of God's creative plan. Equal in dignity but complementary in their sexual difference, men and women who are called to marriage are intended to form one-flesh unions: "Therefore a man leaves his father and his mother and clings to his wife, and they become one flesh" (Gen 2:24). Thus, marriage can be seen as the "primordial sacrament" predating the Fall and surviving original sin.¹ It provides the ideal context for children—citizens of the state and of the Kingdom—to be formed, nurtured and educated. It is therefore the fundamental building block of every society and of the Church, a matter of vital concern to both.

This pastoral reflection is offered to the faithful of the Archdiocese of Newark to help them form their consciences, discern their vocations and, for the married, fulfill their vows. It is also offered to other men and women of good will—of every faith—who join us in the sincere hope of seeing family life flourish in northern New Jersey and throughout our state and our nation.

Chastity: What are you saying YES to?

by Nicole Nuhlenkamp

"Chastity is a virtue that each baptized person is called to live no matter what his or her vocation. Chastity is more about what you are doing than about what you aren't doing. It is SO MUCH MORE than merely abstaining from sex and remaining a "technical virgin." Chastity is actually at the heart of a good marriage. So if chastity is lived even after marriage, then it has to be more than just saying NO to sex." To read more [click here](#)

Theology of the Body for Every Body

By Leah Perrault

"A broad reflection on John Paul II's Theology of the Body and how it applies to every day life for people of all ages. Highly explored and examined, Pope John Paul II's scripture-based reflections on human relationships and sexuality have captivated thousands of women and men around the globe. Yet few have discussed the implications of his theology for everyday life. Theology of the Body for Every Body offers us just that: a holistic reflection meaningful for everyday life. This outstanding book explains Pope John Paul II's foundational ideas and then looks to his encyclicals and writings on family, justice, labour and the Church to broaden the application of his Theology of the Body beyond simple and simplistic - sexual ethics. Bringing a female voice to the writings surrounding the Theology of the Body, Leah Perrault explores its deeper applications for sexual ethics within a vision for human growth, service and justice."

God, Sex and the Meaning of Life Ministry

Our Ministry is approved by The Archdiocese of Toronto and has presented over thirty Workshops on Pope John Paul II's Theology of the Body in Parishes in the Toronto Archdiocese. As well, in the fall of 2009, we organized and held a Theology of the Body Conference in Toronto. This conference was attended by over 1000 people. At the same time, we facilitated a Luncheon meeting on this same topic for Priests and Seminarians with over 120 in attendance. We have held eight Theology of the Body for Teens workshops and have been invited into four high schools to provide a session on the Theology of the Body in the Classroom. We have also held workshops for Parents.
